MAHUBE-OTWA Community Action Partnership, Inc.
STRATEGIC PLAN 2022-2026

- Maintain current assets through routine maintenance and improvement.
- Build an addition to the Detroit Lakes building.
- Develop long-range plan for expansion and new projects.

- Build relationships with minority & rural businesses, groups, events.
- Incorporate trauma-informed strategies into job descriptions and work culture.
- Increase operational efficiencies through the use of technology.
- Develop long-term building improvement/expansion plan.
- Develop communications/marketing plan.
- Make certain that staff, clients, and partners of all backgrounds feel welcomed.

- End family homelessness by 2026 through developing a robust homeless diversion, prevention, and rapid re-housing.
- Convene and coordinate organizational & community energy innovation efforts.
- Develop solutions to shortage of infant/toddler care in our communities.
- Develop tools/strategies to tap the wisdom and experience of community elders in support of our work.
- Develop tools/strategies to serve children age 6-18 in households served by MAHUBE-OTWA programs.
- Ensure marginalized communities see themselves in our work.

Who We Are
MAHUBE-OTWA is part of a nationwide anti-poverty network of more than 1,000 community action agencies established under the Economic Opportunity Act of 1964. Our service area encompasses 5,308 sq. miles. Outreach offices are located in each of our five counties as well as several childcares, preschool classrooms, family health clinics, and a mobile outreach vehicle.

Our Mission: To Empower People to Achieve Self-Sufficiency
